

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 16, 1996

SUBJECT: **SB 3095 - HB 2973**

This bill, if enacted, will broaden the definition of "club" to include a for-profit recreational club in a county with a population of not less than 80,000 nor more than 83,000 for the purpose of authorizing the sale of alcoholic beverages for consumption on the premises.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

The fiscal impact from enactment of this bill is estimated to be an increase in state and local government sales tax and mixed drink tax revenues. Such increases cannot be determined but are estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
